Dear Professor Véliz Martínez,

Re: **Application for IFEM Membership – Cuban Society of Intensive and Emergency Medicine**

Thank you for your communication of 9th December 2012 and application for membership of IFEM which was considered at a recent meeting of the IFEM Board.

I am pleased to advise that the Board has recommended that the Cuban Society of Intensive and Emergency Medicine should be granted Full membership of the IFEM.

The IFEM By-laws require that all applications for membership must be ratified by the Assembly. The next Assembly meeting will be held during the ACEP Meeting in Seattle from 14-17th October. I hope you will be able to attend the Assembly meeting, and look forward to meeting you there.

The Secretariat will advise when a date for the meeting is confirmed. Meanwhile, on behalf of the Board we look forward to a fruitful relationship with URGRAV, and if you require any further information, please do not hesitate to contact me.

Kind regards,

PROF. PETER CAMERON MBBS, FACEM, MD, FIFEM
PRESIDENT
